WORK EXPERIENCE

KATSURA VIET NAM | 08/2024 - 05/2026

PRODUCT MARKETING SPECIALIST/ IT BA ANALYST (DOMAIN ERP)

Offshore (ERP Domain)

- Collaborated directly with **clients and business stakeholders** from a Japanese ES company to gather **customer insights**, clarify **business requirements**, and translate operational needs into product solutions.
- Worked cross-functionally with **engineering and business teams** to develop and improve enterprise ERP systems for Japanese clients.
- Led the migration of a core data-grid component from SpreadJS to AG Grid, improving **system performance**, usability, and the overall **user experience**.
- Supported **product modernization initiatives**, including framework upgrades, PWA implementation, and scalable push-notification delivery for approximately 80k users.
- Designed a notification delivery mechanism with batch processing and **email fallback**, improving reliability while reducing system overload risks.

In-house (ERP Domain)

- Conducted **market and competitor research** to identify industry trends and opportunities for ERP product improvements.
- Collected and analyzed user feedback to **identify pain points**, translate customer needs into product enhancement proposals, and improve overall user experience.
- Collaborated with **product and development** teams to define and deliver features for managing, searching, and accessing technical drawings, improving user workflow efficiency.
- Supported product quality and readiness by designing and executing test cases for the KVN Management System, identifying issues and improving system stability before release.

GROWTH MARKETING (Domain EdTech)

- Collected and created campaigns for **2,000 email contacts**;
- Led a team of 5 to successfully organize the event [AI Transformation & The Future of HR](#);
- Organized a webinar on Data as the leader;
- Increased interest in Zalo OA from **0 to 4,500 people in 6 months with zalo Ads**;
- Developed an inclusive AI community of **650 members in 3 weeks**. Collaborated with Academic Labs, Hoa Sen University, and Open University for MOU activities.

Infina - RealStake Fintech | 08/2023 - now (Freelancer)

GROWTH MARKETING FREELANCER (Domain Fintech)

- Increased the number of members in the Infina community **from 36,000 to 80,000**;
- Led an 8-member team to manage the Infina community;
- Participated in organizing and operating the **“Road to Infina Peak”** gameshow livestream, attracting an average of 500 concurrent viewers per session;
- **Administered customer data, organized email-based** customer segments, and supported personalized marketing and retention campaigns;
- Analyzed the activities of competitors: Tikop, Finhay, Anfin.

FIDT JSC | 06/2022 - 12/2023

GROWTH MARKETING (Domain Fintech)

- Worked closely with **FIDT's C-level leadership**, supporting growth marketing projects and cross-functional initiatives under the mentorship of a former Sendo Marketing Manager;
- **Increased organic website traffic by 20%** in three months through SEO initiatives;
- Grew the Vietnam Personal Finance community from **7,000 to 15,000 members** within six months through Facebook Ads and Google Ads, achieving 114% membership growth.
- Implemented **SEO** for the website [fidt.vn](#) using the **YOAST plugin** with keywords: personal finance, financial education, etc;
- Successfully scaled a Facebook page **from 5000 to 30,000 followers** through a combination of Facebook Reels content, paid media optimization, and audience growth strategies;
- Research the real estate sector to support [the writing of marketing materials](#).
